HOW IS THE FOOD DELIVERED?

The food is delivered cold on disposable plates and boxes, ready for you to eat or transfer to your own serving trays.

We are usually a food-only provider. This means we deliver the food using an external delivery service.

We do not provide crockery, fancier serving trays, glassware, linen or cooking/heating equipment, but we can put you in touch with companies who do.

DELIVERY AREA AND CHARGES

We deliver to central London postcodes. All deliveries will incur a minimum £15 delivery charge. Every postcode varies, so ask for a quote when you book.

DRINKS AND EXTRAS

Ask us when you send your enquiry - and we'll be happy to suggest drinks from our in-house selection - or advise you on where to get the stuff that works best for your event.

SPECIAL DIETARY REQUIREMENTS

We cannot guarantee that dishes are nut-free or entirely gluten free as we use both nuts and gluten in our kitchen.

Please ask for a full dietary breakdown and we'll do our best we can.

SERVICED EVENTS are quoted case by case, so do ask us for larger parties and events needing in-house service.

PAYMENT OF ORDERS

Payment of food is required, in full, before delivery. Invoices can be paid over the phone or by BACS. **VAT OF 20%** will be applied to all orders that are delivered.

STANDARD CANCELLATION POLICY – DELIVERED FOOD
